## March is Nutrition Month

Whether it's planting a garden, cooking with family, or enjoying a meal with friends, food provides opportunities for building social connections that can support improved feelings of belonging and overall well-being.

---

Dear Families,

Happy March! It's hard to believe that we are heading into spring soon. Although the calendar says it will be spring this month, winter still keeps hanging around! The school grounds will be wet and muddy as the ground begins to thaw. It might be a good idea to pack an extra pair of pants and socks for your child (ren) at this time of the year. It might save you a trip to the school to bring dry clothing.

Warm regards,

The RKT Team

# February was Registration Month!

Do you have a child who will be starting pre-primary or primary this fall? It's time to register!

**To ensure we have the right staff and supports in place for September, it's important that we gather enrolment numbers now.**

Tip: Before you begin, make sure you have the following documents in electronic form (image, PDF or Word document):

- Proof of identity/age with one of the following: birth certificate, passport, immigration papers, or legal adoption papers) if you are new to the HRCE;
- Proof of home address (a recently dated official government or utility document with your current address that includes your name and date, such as water bill, power bill, internet bill, home fuel bill, a tax receipt, property assessment or a mortgage contract)
- Proof of health card or health insurance

Visit the [HRCE website](https://hrce.ca) for more information and to enrol your child today through PowerSchool Enrollment!

Don't have a child to register? Maybe you know someone who does! Please help us spread the word and pass this information on to friends, neighbours or relatives who will be looking to register for the fall.

## Literacy Development for Your Child

Are you curious about your child's literacy development? A new page of information on HRCE.ca helps to break down development for children from grades Primary to 6 as they learn to read and write. Learn more [here](#).
