★ SAC Spending:

- Fence - Sherial contacted the pre primary supervisor (Joelle Rowlings), school supervisor (Anne Johnson-MacDonald) and supervisor (Mark Cotell). If given the go ahead, the first step is to contact Mark for a site visit. He will provide us with quotes.
- While he is here, we are going to ask about fixing the light on the path by the playground. It has been out for years. Chris called 311 and it is not on HRM property, it is on HRCE property.
- Discussed getting gravel for the front of the school to fill in where students line up as it is muddy.
- Teacher Needs - What do teachers require to support SSP goals? What can be purchased from the instructional budget or book bureau will be, all else we will review and approve.
