

RKT SAC Committee Minutes

February 24, 2021. 5:00pm

In Attendance:

Janice, Jennifer V., Jenna, Chris. Crystal, Jennifer Collier, Kimberly, Terra

Minutes:

- Janice informed that the current registration month appears slow with only 9 registered for Primary so far, 4 for pre-primary, grade 6 transition to jr high has started, we really need to increase our registration numbers
- Jen McKenzie did cross country skiing with the students in grade three and over
- Equipment has arrived and is being used outside sorted by colours (H&S paid)
- Janice informed that the Home and School had already pitched the purchase of the AED but SAC has a larger spending budget available for infrastructure and asked if the SAC would be willing to fund it. All voted yes. Janice asked that no information be shared about this until she confirms it.

- AED Inquiry

Quote for purchasing AED \$1500 approx.

8 year warranty, 4 years until a new battery will be needed

Janice will check on any liability implications and purchase considerations before it will be brought back to the group to be decided upon

- Issues raised re: basketball net leaning, concrete broken in play area, streetlight out, cross walk concerns (speeding and general traffic volume concerns).

Writer reported concerns to HRM: (post meeting)

Basketball net and asphalt concerns (Reference: 2162150)

Street Light by playground out (Reference: 2162148)

Cross walk and street volume concerns (Reference: 2162151)

Committee was encouraged to contact Trish Purdy re: crosswalk safety and traffic calming study/plans

- Next Meeting: March 31, 2021
Minutes Submitted by: Terra Crowe
